- Business Name:** A text input field.
- Email:** A text input field.
- Amount:** A text input field with a range indicator "Min \$25, Max \$1000".

At the bottom of the form is a prominent green button labeled "ADD SPONSOR". The background of the modal is semi-transparent, showing parts of the underlying application interface.

- 5) An invoice is automatically sent to the sponsor's email address through the Stripe payment system.
- 6) The Sponsorship will appear with the Status marked "Pending".
- 7) Once your new sponsor fulfills their invoice the Sponsorship Status will change to "Active".
- 8) Your Sponsor's ad will now appear on your team page in one of the predesignated ad spaces that you select.
- 9) Sponsor Revenue will be split with UGC, and your team will have the option to be paid out directly through Stripe (requires Stripe account), or receive a check sent by mail (no Stripe account required).

The screenshot displays the UGC dashboard for a team named "MCC Halo 3". The left sidebar contains navigation options: DASHBOARD, TEAMS, COMMUNITY, TOURNAMENTS, CONNECT GAME, SUPPORT, and FOLLOWING. The main content area is titled "Team Sponsorship" and includes a "DETAILS" section with a "Team Sponsorship" heading. Below this, there is a "SOCIAL MEDIA" section with an "Upload your sponsorship" button and an "Add Sponsorship" button. A table lists the current sponsorship details:

Business Name	Email	Amount	Term	Status
XXXXXXXXXXXX	XXXXXXXXXXXX	1000	2022	Pending

At the bottom of the dashboard, there is a green button labeled "SPONSORSHIP".
